

JULY 10

MARK THE DATE

WORLD BUDGET OFFERING

Adventist
Mission

The World Budget Offering of the Seventh-day Adventist Church is a lifegiving river that flows around the world, moving to where it's most needed. This river of funds helps sustain and nurture the growth of the church.

On July 10, there is a special emphasis on the World Budget, and we invite you to give by marking your tithe envelope "World Budget." Let's keep the movement in the Seventh-day Adventist Church movement!

Please help us keep the rivers of blessing flowing out to those who are waiting to receive the Water of Life. Your help will support mission work around the world. If your church is not collecting the World Budget offering on July 10, you can still write "World Budget Offering" on your tithe envelope or visit Giving.AdventistMission.org.
