## VIEWPOINTS

### Willing Vessels

"The way we see ourselves can determine our success. If we consider ourselves inadequate, then we'll do an inadequate job, or may not even do the job at all. On the other

hand, if we recognize our weakness but accept that God can work through us and in us, there's no limit to what God can do through willing vessels."

— Paul H. Douglas, treasurer of the General Conference of Seventh-day Adventists, during NAD staff worship on Aug. 11, 2021
