COVID-19 RESPONSE

It takes prayers, tears, and love to care for our communities in a crisis.

It also takes sacrifice.

The Special Covid-19 Response Offering will go directly to each world division. Masks. Essential supplies. Counseling . . . Whatever it takes.

Your generous offerings will fund specific initiatives to help people suffering from this pandemic.

Write “COVID-19 Response” on your tithe envelope, visit your division’s website, or AdventistMission.org/COVID to make an online gift. Every donation makes a difference!
