If your criminal history would exclude your form consideration for a position, the NAD will conduct an individualized assessment by (i) providing notice that you may be excluded because of past criminal conduct, (ii) allowing you to demonstrate that an exclusion based on criminal history should not apply to you, and (iii) giving consideration to additional information that you provide within a reasonable time period (usually within 5 working days) to show that the criminal history exclusion is not job-related and consistent with business necessity.
